## Description

- The career fair is one of many exciting activities scheduled as part of the Wharton Africa Business Forum (WABF), which takes place on November 7<sup>th</sup> - 8<sup>th</sup>
- As a participating employer, you have exclusive access to the Wharton African Students Association resume book and to resumes submitted by conference participants<sup>1</sup>
- You have the unique opportunity to interview your preselected candidates at the career fair<sup>2</sup>
- For the first time, this year participating employers also have the option of setting up a booth

<sup>1</sup>The career fair is open to all registered conference participants except 1<sup>st</sup>-year MBA students from all business schools, in accordance with the policies of most schools.

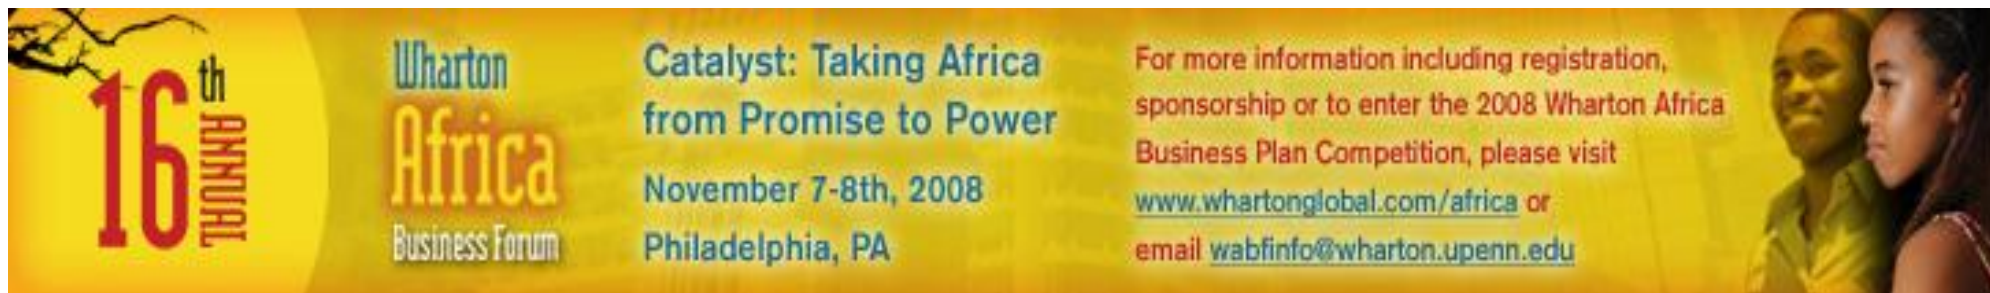

<sup>2</sup>Interview rooms are available

## Advantages<sup>1</sup>

- Now in its 16th year, the Wharton Africa Business Forum (WABF) is the preeminent business school conference in the world focused on the future of business in Africa
- The conference and career fair offer a fertile platform for networking with distinguished leaders and professionals
- Over 600 distinguished individuals with keen interests in Africa in attendance
- Access to a diverse group of MBAs and non-MBAs, hailing from various ethnic and professional backgrounds, and who are interested in pursuing opportunities in Africa
- Early access to Wharton talent
- Visibility from your logo posted on the WABF website (under the career fair page) and printed in the WABF conference brochure

<sup>1</sup>See description of benefits available to WABF sponsors
